## Dear Residents,

Welcome to the New Year issue of your community magazine, we hope 2026 brings you peace and good health. As we reflect on the year that has gone, now is a great time to think about what we would like to do more of or reconnect with in the months ahead. We are lucky in our community that we have a wealth of caring groups that would welcome new members or volunteers. From gardening groups to art classes, choirs to carnival organisation, nature groups to social clubs, scouting to tea and chat, there is something for everyone. So, if you are feeling lonely or would just like to embrace more of what our local area has to offer, I hope you will be inspired by the many local groups we feature throughout the magazine.

Now is the perfect time to allow yourself some selfcare and address any niggly aches or anxieties you have carried for too long, or just allow yourself a restorative beauty treatment, there is care available from many local businesses who can support you.

If you are looking for a creative activity to keep you amused these long winter nights, why not get working on a design for the Frampton Cotterell Window Art Trail? This year the theme is – Love Is In The Air! We know there will be some wonderful ideas on display during the February half term.

As always, Winterbourne Medieval Barn has a whole host of activities for all to enjoy throughout 2026.

If you are a business looking to promote your services across the local area in 2026, do get in touch with us and we will be happy to help. Deadline for the next edition is 12th February 2026.

When you make contact with our advertisers, please do mention the magazine, thank you.

## News from St Michael's Primary School – Festivals of Light

Term 2 was an extremely busy one for St Michael's Primary School. As the nights drew in we learnt about festivals of light celebrated by different faiths.

We were lucky enough to have one of our parents come into Year 4 to make rangoli patterns and talk about how their family celebrates Diwali. The story of Rama and Sita is remembered during the Hindu festival of Diwali, when diva lamps are lit to guide Goddess Lakshmi to their homes to bring luck and good fortune, and fireworks are let off to celebrate.

We also learnt how Jewish people celebrate the Miracle of the sacred lamp that burned for eight days with just one bottle of oil. Every night during the festival of Hanukkah, a candle is lit on a special candle holder called a Hanukkiah.

Our Key Stage 2 children held a Christingle Carol Service at St Michael's Church. Reverend Joanne Hodge introduced the service and children and parents filled the church with the traditional Christmas carols, 'Oh Little town of Bethlehem', 'Once in Royal David's city' and 'Oh come all ye faithful'. It was a very special moment to sing 'Away in a manger' as all the Christingles were lit. Children took turns to read to the congregation, reflecting on the meaning of the orange, ribbon, sweets and candle.

The last few weeks of term are always exciting as we prepare for Christmas. The school was treated to the Reception and Key Stage 1 nativity dress rehearsals with some wonderful singing, and the Church Assembly team lead a service to remind the children of the story of the birth of Jesus and what it means to Christians. The last week was full of festive fun as we enjoyed our Christmas lunch and class parties, as well as the whole school taking a trip to the Hippodrome to watch the Pantomime, 'Jack and the Beanstalk'.

Throughout all the festivities, our school candle continued to be lit in assemblies, reminding us of the light that Jesus brings to many Christians' lives. Each day at the end of our school assemblies, the flame is extinguished and the message is taken with us with the words 'Let the light shine in us today'.

## The Yeomen of the Guard

Gilbert and Sullivan's dark masterpiece

Bristol Gilbert & Sullivan Operatic Society (BGSOS) returns with The Yeomen of the Guard, the show that nearly made it to the stage in 2020 before the world shut down.

Under the direction of Sarah

Nash, and with John Pitts conducting a professional orchestra, this darkly dramatic tale finally comes to life at our new home, the Olympus Theatre. Widely regarded as Sullivan's finest score, Yeomen blends grandeur, melancholy and wit in a uniquely powerful masterpiece.

**BGSOS will be performing The Yeomen of the Guard from 19 to 21 March at the The Olympus Theatre, Filton, BS34 8LP.**

## A wonderful production from the Winterbourne Musical Theatre

Winterbourne Musical Theatre (WMT) put on the wonderful heart-warming and heart-wrenching story of 'The Christmas Schooner', from 25-29th November at WADCA.

The story followed the fortunes of a family of German immigrants to the USA in the

1880s, who first took Christmas trees from the Canadian border down to the city folk of Chicago, sailing the full length of the very dangerous Lake Michigan during winter storms. Until then, German immigrants in Chicago had missed their old Christmas traditions of bringing evergreens into the house and decorating them with fruit and nuts. But that custom has of course now spread firmly across America (and thanks to queen Victoria, with German heritage, across the UK too).

The show is based on a true story, including the eventual fatal wrecking of the schooner in a violent storm after some years of transporting Christmas trees. The schooner captain's family continued the business in his memory, until eventually rail and road transport took over from shipping.

Both cast and audiences loved this show with its hummable music and ultimately uplifting message of hope and love.

WMT's next show will be the comedy Kipps, based on the book of that name by H. G. Wells, and known to many people from the 1960s adaptation 'Half a Sixpence'. The show runs in mid May at WADCA.

**Get involved!** We would welcome more help with backstage, including stage management, costumes, or front of house. The society currently has no vacancies for women or children in the cast, but would be willing to consider a few more men. Rehearsals are Thursday evenings. Principal characters will be auditioned in mid January.

If you are interested in any of these opportunities, please contact WMT via the website: **[winterbournemusical.co.uk](http://winterbournemusical.co.uk)** or Facebook page: Winterbourne Musical Theatre.

## News from the Floral Friends of Frampton

Well, that's it for another year – Christmas, New Year and all that goes with it, is over and for the volunteers at Floral Friends, that means it's time to plan our schemes and themes for 2026! We're thinking about acquiring another new planter bench, planting up a new recycled half barrel planter and of course, what we'll be growing on for our May plant sale.

Last year, some of our volunteers grew on plug plants and our own seedlings for the sale at the end of May. However, we felt that lots of people had bought their summer bedding and veg plants by then, and therefore missed out, so we will hold it at the Brockeridge Centre on the 9th of May in 2026. So, please put it

in your diary and come and enjoy the morning with us. As always, there will be drinks, cakes and even hot dogs this time, so well worth a visit. If you feel you would like to help us by nurturing a tray of plug plants or even just growing on your extra seedlings, please let us know as this would help enormously, especially as volunteers' greenhouses are in short supply. I promise you, there's nothing more satisfying than seeing the fruits of your labour snapped up by a grateful gardener at the plant sale.

Finally, we really want to plant some native bulbs – snowdrops, bluebells, daffodils etc in some new places around the village. We have a few ideas, but please feel free to let us know where you think they might be best appreciated. We will be planting them 'in the green' which just means already sprouting, so this will be done in early spring, weather permitting.

As always, thank you for all your support and kind words. If you would like to contact us, please email us at [floralfriendsofframpton@gmail.com](mailto:floralfriendsofframpton@gmail.com) or follow us on Facebook.

## Winterbourne Down Village Carnival 2026: Supporting Great Western Air Ambulance

As the excitement begins to build for the Winterbourne Down Village Carnival 2026, we're thrilled to announce that this year's chosen charity is the Great Western Air Ambulance Charity (GWAAC).

Mark your calendars – **the carnival will take place on Monday, 4th May 2026**, bringing our community together once again for a day filled with fun, friendship, and fundraising!

Each year, our carnival unites the village in celebration while supporting a worthy cause, and this year we're proud to help the GWAAC continue their lifesaving work across the region.

The Great Western Air Ambulance provides critical care and rapid emergency response to people in urgent need, often reaching patients faster than road ambulances and delivering specialist medical treatment at the scene. Funded almost entirely by charitable donations, their team of pilots, paramedics, and doctors serve our communities 365 days a year – saving countless lives.

By coming along to the carnival, joining in the activities, and contributing to our fundraising efforts,

you'll be helping to keep this vital service flying. Whether you're enjoying the parade, browsing the stalls, or cheering on the competitions, every pound raised will make a real difference.

Let's make the 2026 Winterbourne Down Village Carnival one to remember: a celebration of community spirit, generosity, and support for a cause that touches us all. Save the date, spread the word, and help us lift off for Great Western Air Ambulance!

## Sound Meditation

with Craig Rogerson – Musician & Sound Therapy Practitioner

The work of sound is the reinstatement of flow wherever there is restriction – physical, mental, or emotional. Craig's group sound meditations (also known as sound baths) offer regular spaces that cultivate community moments of true rest.

Using an array of sound tools and instruments – from percussion to singing bowls and gongs, you're invited to drift away to wherever the sound may take you. While sound remains at the heart of every monthly session, Craig also enjoys bringing adapted session formats

to Turnberries Community Centre in Thornbury. At times, he welcomes guest musicians to collaborate, or hosts Breathwork and Sound sessions, and even all-night Gong Pujas – overnight sound "sleepovers" where the soft tones of gongs embrace you as multiple

practitioners guide you through the night.

You'll often experience Craig playing the beautiful tones of the handpan during a session – a melodic, soft and calming accompaniment to the wider sonic landscape created.

These moments are about community. Craig has been hosting sessions in Thornbury over the last four years, where a wonderful community has grown – one that understands the power of sound in supporting wellbeing. A yearly family gathering has naturally formed, offering space for deeper connection and shared experience.

## Local window company wins national award

Bristol window company, The Window Hub, has won a major national award after being judged the best by its peers in the glass and glazing industry.

With a head office in Staple Hill, The Window Hub won Installer of the Year at the G-Awards, an annual glittering event, which recognises and awards the best window, glass and door companies in the UK. The local business welcomed judges from respected inspections and auditing body, Risa, earlier in the year, who compared entries from dozens of window companies from across the British Isles.

Managing Director, Danny Robb, shared, "We've got a 'Treating Customers Fairly' policy, to make sure that we do the right thing for our customers, from when they first speak to us all the way through the process to when we leave them with a Fensa certificate after the installation. And I'm hopeful that that's what shone through during the judging process."

The win came just weeks after two employees won awards at the National Fenestration Awards, another national event where winners are judged by their peers. Adam Smith won Office Manager of the Year, while Bradley Barber won Young Person of the Year.

Danny said The Window Hub has strict guidelines that its employees must follow to ensure the customers

are always looked after. This includes an ethical sales policy which, in addition to following legal obligations, includes a 'canvassing etiquette' which all sales-people must read, sign and stick to.

"It really isn't rocket science," Danny said. "But we make sure our employees close gates behind them, and don't walk on the lawn. And if they are asked not to return, they must inform their Team Leader immediately, so Head Office can make a record and ensure all canvassers know never to go back."

"Our sales team also have specialist training on being aware of vulnerable homeowners, so that everyone can make an informed decision. Sales begin and end with treating customers properly."

The Window Hub also has a tree-planting programme as part of a comprehensive sustainability programme, and the company is heavily involved in local charities including youth sports teams and hospices.

90% of reviews for The Window Hub on Trustpilot are five stars, with customers celebrating the company's professionalism, friendliness, tidiness and attention to detail. (The company doesn't invite customers to leave a review, so all comments on that site are genuinely organic.) [www.thewindowhub.co.uk](http://www.thewindowhub.co.uk)

## Wellbeing Matters!

### Your Winter Balance

The seasons have definitely changed; we have cold, wet, windy days, and the evenings are drawing in fast. For some, winter feels like a warm blanket; for others, it can feel heavy, quiet and overwhelming. However you find this season, here are some simple tips to help you move through the colder months feeling more content.

#### Rest + Sleep

Shorter days naturally change our rhythms, so lean in. A consistent wind-down routine, lower evening light, and heading to bed earlier can make a noticeable difference to your energy, mood and immunity. Think of sleep as your winter medicine. Foods rich in tryptophan (turkey, eggs, oats, nuts & spinach) help your body produce serotonin and melatonin for a calmer mind and deeper sleep. *Tip: A warm drink, softer lighting and screens off 30 minutes before bed.*

#### Move Daily (and Wrap Up!)

Movement in winter just needs to be consistent. Even 10–20 minutes outdoors gives your metabolism a nudge, supports immunity, and boosts mood thanks to daylight exposure and those lovely endorphins. So, layer up, and think “keep warm, keep moving”. Remember... a brisk walk, gentle mobility session or dancing in the kitchen still counts. *Tip: Try not to sit for longer than an hour at a time. Winter sedentary syndrome is real! Local? Check out Walk Mates - Winterbourne on Facebook for friendly walking buddies and motivation.*

#### Stay Connected

It's tempting to hunker down when it gets dark at 4pm, but winter isolation can creep in.

Aim to spend time with others at least once a week, a walk, a coffee, a craft activity / exercise class or even a phone call. Social connection isn't optional for wellbeing; it's essential. Balance cosy nights with people-time.

#### Eat to Nourish + Energise

Comfort food is one of winter's great joys, just keep it balanced. Pair satisfying carbohydrates with quality protein: stews, chilli, bean dishes, casseroles, soups with lentils or chicken, or roasted fish and veg. You'll stay fuller for longer, keep blood sugar steady, and support mood,

muscle and energy. *Tip: Get those recipe books out or join Tip the Balance Support Group on Facebook for some inspiration. Winter produce can still be vibrant. Think squash, beetroot, mushrooms, parsnips, cabbage and winter greens. Frozen*

berries and mixed vegetables are brilliant too, nutritious, budget-friendly, and zero waste. *More colours = wider nutrients = a happier immune system.*

#### Hydrate (Even When You Don't Feel Thirsty)

Cold weather dulls our thirst and central heating dries us out. *Aim for 6–8 glasses of fluid a day* - water, herbal tea, even tea & coffee count - It all supports hydration, digestion and a winter glow.

#### Support from the Inside

Vitamin D is important in winter when sunlight exposure is low. Public Health England recommends 10 micrograms (400 IU) daily in autumn and winter for most adults. Omega-3 and probiotics can also support immunity, mood and gut health. *Tip: Unsure what you need? just ask, personalised guidance beats guesswork.*

#### Warmth & Fresh Air

A warm body supports your heart, immune system and mental wellbeing. Layer clothing, use blankets or hot-water bottles safely, and aim to keep living areas comfortably warm, ideally >18°C. *Tip: Once a day, open a window briefly to let stale air out, shift germs, moisture and condensation, and gives your brain a lift.*

Winter isn't about perfection, it's about rhythm, nourishment and connection.

Choose two or three practices that feel achievable and revisit them each week. Small, steady actions create big seasonal shifts.

## Future-proofing our kids' spine health

with experienced holistic therapist Dawn Clode Lic MET Lic CR

Most of us do not experience serious aches and pains in our bodies until we hit our 50s, 60s and beyond. Some of the injuries or wear and tear are inevitable with age and our working or leisure environment – or so we think! A number of our issues, especially when it comes to spine health (that links with nerves to all areas of our body) could be prevented or significantly reduced if we looked after our backs before any sign of problems occur. Never a truer word spoken that, 'prevention is better than cure.'

It was extremely interesting to hear Dawn speak on the subject with the extensive knowledge and experience she has. Having Dawn in my life as a holistic therapist for over a decade has benefitted both myself and my boys. There are two key times to get kids' holistic health off to the best start.

The first is when they are young babies, birth involves a significant physical stress on babies (and mother's too of course!). Both my boys benefitted from a baby cranial sacral session with Dawn. My first born was uncomfortable latching on his left side. One session and we never looked back. My youngest son suffered with an aggressive rash in the nappy area and again, one session of baby cranial sacral and the rash and associated discomfort calmed and then disappeared.

Fast-forward ten years and Dawn asked to see the boys again. Now they both play regular, physical sport, it was time to check their spine alignment.

My eldest's (10) spine wasn't running quite straight, some gentle manipulation put this right.

My youngest (8) was running straight in his spine but complaining slightly of a sore ankle. Dawn asked if he chewed things a lot (he regularly sits and chews or sucks on clothes or soft toys) as an area of jaw was related through fascia tissue to the foot and he again received some gentle manipulation to ease this. It really was a fascinating session and my boys think Dawn can work magic! For advice on children's spine health, do get in touch with Dawn.

## Santas on the Run success at local children's hospice

More than 300 participants joined Santas on the Run North Somerset to raise vital funds for Children's Hospice South West on Sunday 7 December.

This popular fundraising event saw over 300 supporters of all ages dressed in a range of Christmas costumes, take on the festive 2K route around the hospice's beautiful grounds and saw participants enjoying the event village with food vendors and festive activities based at The Downs Preparatory School.

Hollie Thorogood, Events Fundraiser at CHSW, said: "We are so delighted at what was a fantastic Santas on the Run event this year, and it was brilliant to see so many people dressed up and running around our wonderful Charlton Farm surroundings. We saw Santas, reindeers, elves and much more."

Money raised from Santas on the Run will go towards offering care and support to local families who use CHSW's three hospices, including Charlton Farm in Wraxall, Somerset.

The hospice supports children with life-limiting illnesses or conditions, and their families, providing short breaks, respite and palliative care, as well as end of life care and bereavement support. Charlton Farm's doors are open 365 days a year and will be a home from home for families over the festive period too.

**Get involved in 2026!** If you are interested in taking part or organising a fundraiser this year for the charity, we would love to hear from you. [www.chsw.org.uk](http://www.chsw.org.uk) | 01275 866600

## Winterbourne Short Mat Bowls Club

Although Winterbourne is a well established and thriving club with almost forty members, the after effects of Covid meant that we lost a lot of original members, and we had to reduce our playing sessions to meet the new reality. Unfortunately, the sessions we had to give up included evening ones that were more suitable to members of working age so, although we are always ready to welcome fresh recruits, we recognise that we are probably all retired players and that our playing hours are not very suitable for many younger people, men and women. Short Mat bowls is starting to attract younger players elsewhere, who are realising the level of skill required to play the game well and that men and women of all ages can compete together on an equal basis. We too would like to be able to offer younger people the opportunity to get involved in the sport.

For example, if you have children at school and you need to pick them up or be home when school finishes, we have the availability to alter our hours to suit you, providing there is sufficient interest. Maybe you can only play evenings or weekends, again there is availability to suit you. First though, we need you to let us know if you are interested and if you would like to come along for a free taster session, we have spare bowls we can lend you and we can provide basic tuition.

Although many members are happy to just play socially, we also enter two teams in the Bristol and District League and also run club competitions and there are plenty of competitions held in the local area.

**For membership enquiries, or interest in trying the sport for free, contact Club Secretary on 07542 052837, or Kelly at WADCA.**

WORCESTER BOSCH

[amwheating.co.uk](http://amwheating.co.uk)

Winterbourne Barn is a wonder of medieval craftsmanship with its amazing raised-cruck timber roof made from hundreds of oak trees felled in 1341–42 (dated by dendrochronology). The 'green' wood was used straight away, not left to season, giving us an exact year of construction of the building of 1342.

Nearly 700 years later, the Medieval Barn remains as one of the oldest buildings in the area, and a very rare example of a huge barn built for a wealthy man, Sir Thomas de Bradeston, rather than for the Crown or the Church. De Bradeston became Lord of Winterbourne Manor soon after the death of Edward II at Berkeley Castle in 1327, and was knighted in 1330. He was very close to king Edward III, fought at the famous Battle of Crecy in 1346, and was called to Parliament in 1347.

By the 20th century the barn and manor had faded into obscurity (the old manor house had burnt down). The farm was sold off by the Smyths of Ashton Court, and Glos County Council let it out to tenants. Although the barn was recognised by 1947 as being of historical importance, its true age was not revealed until the 1990s when the people of Winterbourne were fighting to get the building rescued from dereliction. It was reclassified a high ranking grade 2\* (two star) in the national heritage buildings List, and was eventually saved by significant funding from English Heritage and the National Lottery. It is now managed by a Trust made up of volunteers, who aim to preserve this important historic building and keep it for use by the local community.

The money raised from Trust events at the Barn goes to maintaining the building in good repair and keeping it accessible for the community. There are a wide range of events across the year, but being an old agricultural building, the Medieval Barn is not a warm place to sit still in January and February, so community activities are restricted to small craft workshops in a heated room! Early spring events

## Happy New Year from Winterbourne Medieval Barn

are now open for booking. Why not try a new craft, or come to a music event, or book a place as an unusual gift for a special person?

### Craft Workshops

#### Fused Glass – Tuesday 27 January, 10am or 1pm

Join Rachael Durkan from The Glass Cabin in a fun, informal 2 hour session, to make your own choice of item from a list of options including a Wave or Mandala in a Frame, a Curve, a Dish, or a Balloon or Beach Hut decorative hanging. You can see images of all the options online. Suitable for complete beginners (age 16+) as well as those who've caught the fused glass bug! Prices vary for the different items, so you will need to select your option when you book. The price includes all materials, full tuition, and tea and coffee.

#### Medieval Tile Workshop – Friday 6 February, 10.30am – 2.30pm

Learn to make replica medieval tiles... on a genuine medieval site! Martin Webb from MVW Ceramics hosts this workshop where you will make up to four tiles which will then be glazed and fired after the class. You will start by inlay a pre-pressed tile, made with a replica mould copied from tradition design, and then you can create tiles using your own designs.

#### Wood-carving – Saturday 28 February or Sunday 29 March, 10.30am

Professional woodcarver and teacher Alistair will guide you through the process of carving into seasoned oak using traditional mallets, gouges and chisels. At the workshop on 28th Feb, you will choose a design dating from around the time that the medieval barn was being constructed. On 29th March you will carve something inspired by nature. These 6 hour sessions are suitable for any skill level, from absolute beginners to those with some experience.

### Music

Varied musical events restart in March with a fun ceilidh on Saturday 21 March. Swing from Paris bring vintage jazz

and stylish swing to the Barn in April, and GreenMatthews return in May with light-hearted folk songs and dance tunes played on a range of modern and period instruments. Bookings now open for:

#### Ceilidh in the Barn – Saturday 21 March, 7pm

#### Swing from Paris – Thursday 9 April, 7.30pm

#### Midsummer Revels – Friday 8 May, 7.30pm

All events at the Barn should be booked online at Ticketsource or via the Barn's website. If you need to book in person, contact the office (open part-time) to arrange a time to visit.

The Medieval Barn is fully accessible for wheelchairs. Free parking at the Barn for all events, and plenty of space for drop off / pick up and for bikes.

### Interested in Volunteering in 2026?

The Barn is a wonderful heritage building kept open for the community by a large team of local volunteers. The Trust would welcome more people to help with maintaining the site, preparing for events (setting out chairs, tables, stage blocks), helping on the day at events (on the door, bar work, car parking, etc), or being part of the team running community events (including admin, publicity, social media etc). It is very rewarding to be part of this community team and know you are helping to preserve an important historic building.

## Beauty Plus by Myriam celebrates 16 years in business!

Having been in the spa and beauty industry in Europe and in the UK for the last four decades, my most recent project in Frampton Cotterell has turned 16 years.

My experience spans many countries, with many ups and thankfully only a few downs.

Through it all I have remained a proud member of BABTAC and have always encouraged therapists to join from their first day in the industry.

My training (many decades ago) was intense and I'm truly appreciative of how strictly we were taught to maintain high quality standards and to provide a safe, caring and relaxing environment for our clients.

It was also special to welcome Tyisha, who joined my team recently. The event was fun, with clients who braved a horrendously rainy evening to celebrate with me. I also appreciated the beautiful flowers which were a nice surprise from my thoughtful sons. Congratulations go to the winners of the special 16th birthday prizes. I look forward to seeing my lovely clients in 2026!

## Frampton Cotterell Window Art Trail – Love Is In The Air!

The Frampton Cotterell Window Art Trail is a community art project that transforms the windows of local homes and businesses into a vibrant village-wide art gallery! Our second (ever!) Window Art Trail hopes to lighten hearts as well as windows with this year's theme: *Love Is In The Air*.

**The trail will be taking place from the 9th to the 13th of February 2026** (during the February half term). Sign-up opens on Monday 19th January and will close on Friday 6th February.

Paper entry forms will be available at The Bickeridge Centre. The link to sign up online will be available on our website. Everyone is welcome to take part.

## Parish Council Purchases Riverside Woodland for Community Nature Reserve

Frampton Cotterell Parish Council has been successful in our auction bid to purchase the 0.65 acres of land for sale at the site of the old Mill pond, alongside the river. The land sits in between the Centenary Field and Black Rocks in Frampton Cotterell.

This land will now become part of our Community Nature Reserve, where we will be able to help protect the area for nature.

This purchase has been made using money from the Grange Solar Farm grant, which is used for local environmental projects. We hope that through this purchase, the land will prove to be a valuable asset for the local community.

## Coffee Grounds Recycling

Did you know that there are loads of incredibly useful things you can do with your used coffee grounds?

Frampton Cotterell Parish Council has teamed up with local cafés Magnolia Mews and Daisychain Deli for a fantastic Coffee Grounds Recycling scheme!

As well as saving your own coffee grounds, you can now visit Magnolia Mews and Daisychain Deli to drop off your own container for coffee grounds.

The café staff will fill your container up with used coffee grounds which you can collect later and put to good use!

But what possible use is there for used coffee grounds? We're glad you asked!

The parish council has created a super handy leaflet jam packed with money-saving tips, health and beauty tricks, gardening magic, household projects and more – all using coffee grounds.

These free leaflets are available at The Bickeridge Centre and other locations around the village (including at Magnolia Mews and Daisychain Deli), as well as digitally on our website.

## Kids Against Dog Poop Poster Competition

Dog poo left in parks, paths and public places is a seriously yucky problem – and a seriously dangerous one, too.

Not picking up dog poo does more damage than just ruining your new trainers (and that would be bad enough!). Dog poo can give people horrible illnesses, and even cause blindness. Dog poo also contributes to water pollution, environmental damage and can harm biodiversity. Not to mention that not picking up dog poo is against the law and risks fines of up to £1,000!

Despite all the reasons to pick up dog poo, lots of irresponsible dog owners still leave poop all over the place. Clearly the grown-ups just aren't listening. We need some real help. We need Kids Against Dog Poop! We are calling on local children to help us teach grown-ups about picking up dog poo.

Throughout January, under 16s can enter our Kids Against Dog Poop poster competition to help us raise awareness about dog fouling in Frampton Cotterell. Our lucky winners will not only receive a fantastic prize, but will also see their winning design turned into official Frampton Cotterell Parish Council posters displayed across the village!

## Big Christmas Sing for Christian Aid

A huge thank you to everyone who came along or took part in our local churches' BIG Christmas Sing for Christian Aid! Zion Church was packed and we were treated to an evening full of superb singing from our local choirs, carols for all and some good old-fashioned Christmassy singalongs!

This year's concert was compered by Rev Dave Jones from St Saviour's and Rev Sharon Lovelock from Zion. We were delighted to welcome Junior FR, Frampton Cotterell Male Voice Choir, the Frampton Shantymen, Crossbow Singers and Winterbourne Musical Theatre, who closed the evening with 'The Blessing of the Branch' from the musical 'The Christmas Schooner'. The Christmas tree branch was blessed and branches were passed around the audience, with everybody singing – it was a beautiful moment.

All the choirs were amazing and, as well as being lots of fun, the evening was full to the brim with community spirit!

In terms of fundraising for Christian Aid this was our best ever year! We raised £1,236.81 to which will be added £119.50 in Gift Aid, bringing the total to £1,356.31! Absolutely amazing! Your support will bring lasting joy to those who will benefit from your kind donations.

## 1st Ram Hill Scouts Group needs your help!

Youth groups in the UK continue to clamour for more volunteers amid a rise in the number of parents seeking affordable and sociable outdoor activities for their children away from screens. The Scouts in particular are facing substantial unmet demand for their sessions and have said their waiting list, nationally at 170,000, has hit a historic high.

1st Ram Hill Scouts was established in late 2024 to meet a local need and opened with Beavers (6–8 years) and Cubs (8–10 years) based around the ages of the children of volunteers who were invested in the project. This was extended later in 2025 to include Squirrels (4–6 years) and more recently Scouts (10–14 years) as more volunteers arrived. 1st Ram Hill, like the rest of the UK, are a victim of their own success and now has over 60 places on their waiting list!

Benefits for the children attending are many and varied; where they can earn badges for different topics, including: Camps, Hikes, Crafts, Outdoor Cooking, Fire Starting, Contributing to the Community, Gardening to mention only a few. Additionally there have been visits organised for the troop to the RNLI at Portishead, Westonbirt National Arboretum, Slimbridge Wetland Centre and 'We the Curious' science museum and a Panto show in Bath.

Volunteers' commitment can be surprisingly small at only a few hours a month with the flexibility to 'dip in and out' where and when they feel they

have free time. As people's situation changes then the organisation has the flexibility to respond appropriately to meet the new circumstance. The point being that there is a place for anyone to have an opportunity to support the team. Experience does show that volunteers get so much from the venture and the table below shows typical commitments that each of the opportunities might take. Training is provided where necessary and you would always have the help and support of the team.

## Hambrook Sports Club – Community Update

In October, we sadly lost our Chairman, Alistair Kilfoil. Alistair was a dedicated leader, a tireless volunteer, and a true champion of community cricket. His wake, held at the club on 21st November, brought together friends, members, and neighbours to share memories and celebrate his enormous contribution to Hambrook Sports Club. He will be deeply missed.

At our AGM in November, Naomi Bowler was voted in as our new Chair – and the first female Chair for HSC! Naomi moved to Hambrook at the end of 2024 and has been an active member of the club; we are confident she'll help guide us forward into a positive new chapter. 2026 marks the beginning of new fundraising efforts to deliver significant upgrades to our facilities, which were built in the 60s and are ready for a change.

We warmly invite local residents to join Hambrook Sports Club — either socially, or through our friendly Cricket and Football teams. The club is home to five Skittles teams, weekly Pilates classes, darts, and cribbage nights. Membership is just £10 per year, and as a not-for-profit organisation, every penny goes back into making sport and community activities accessible for people in Hambrook and the surrounding villages.

We are also excited to begin laying foundations for a junior football programme for both boys and girls. To make this possible, we are seeking male and female volunteer coaches. Coaching training and DBS checks will be provided. In addition, we are looking for more ladies' cricket coaches. In the past, we have proudly been the only female-coached ladies cricket team in the area, and we would love to welcome more women who want to get involved for we can regain that title!

If you'd like to support the club, get active, or help shape its future, we'd be delighted to hear from you. Here's to building a stronger, more connected Hambrook community together! [www.hambrooksportsclub.co.uk](http://www.hambrooksportsclub.co.uk)

## Whilst kingdoms come and kingdoms go, rivers run and rivers flow

I saw something I had never seen before as I left St Peter's recently – the Frome, in full flood, visible from the vestry door. Normally hidden from view by the fall of the land, the angle at which I stood made it look as if the river could have stretched from the wall of the Churchyard all the way across to the hill that ascends towards Frampton End Road. Fortunately, for the horses that live in the field next to us, it wasn't quite as dramatic as it first looked, but the strength and domination of the river in flood was a reminder of the ways in which our lives and daily assumptions can be upended by our waterways.

By the time you read this, I will have been swept away by the life's tides having handed over my keys for the churches in Fromeside and vacated the 'Curatage' shortly after Christmas. I will be preparing to be installed as rector in Workington, a town which remembers only too well the ability of rivers to transform from life giving streams, to destructive life-disrupting forces.

On my first visit to the Cumbrian town, my guide made a deliberate point of taking me to the place where PC Bill Barker lost his life in the line of duty during the 2009 floods, when the bridge he was crossing collapsed severing pedestrian and road access from the Northside of the town to the other. Whilst a new bridge stands in its place, the impact of the water's power is still felt today.

When I became curate three years ago, I mused on the nature of rivers, and their role in the human imagination across history. Back then, focussing on nourishment, I referenced the river Nile which spirited the infant Moses to safety, the Jordan where Jesus was baptised, and the rivers of Babylon.

As nourishing as these rivers were, it occurred to me now that they also were catalysts of transition and change: Moses from slave baby to Egyptian Prince, Jesus from Carpenter to Rabbi and publicly acclaimed son of God, and the Israelites in exile resolving to seek restoration to their God and their home.

Whilst rivers can bring change and turbulence, established rivers often remain consistent in their flow of water. As I referenced three years ago, the Scottish singer Karine Polwart sings, 'Whilst kingdoms come and kingdoms go, rivers run and rivers flow.' The Christian faith, likewise describes God as one in the same yesterday today, and forever. As my life changes, and the church communities in Fromeside continue to encounter change, it is comforting to know that, whilst the force and floods of life's events can overwhelm, these times are only ever temporary, while goodness and love endure forever.

the great outdoors 'alla prima'. In fact often she has been invited to paint live events such as weddings, parties, fairs, circus shows and music festivals such as Glastonbury. Valerie is a member of the Royal Institute of Oil Painters and a founding member of The British Plein Air Painters group. Her teaching will encourage us to paint with freshness, confidence and spontaneity and will include tips for plein air painting. Valerie aims to depict the essence of a subject in a few well-placed brushstrokes. It should be a captivating evening.

We'll have a short break during the evening for free tea, coffee, and biscuits. This will give us an opportunity to catch up with each other and say hello to our visitors. ## Frampton Cotterell Computer Group

**Frampton Cotterell Computer Group provides help and advice on the use of PCs, laptops and tablets. The group meets at**

**the Bickeridge Centre in Frampton Cotterell on Wednesday and Thursday mornings, from 9.30 to 11.30am and new members are always welcome to join on whichever day they prefer.**

Nowadays many aspects of modern life, from banking to booking theatre tickets, are done online. However, for people who have not grown up using smart phones or computers this can be quite daunting. FCCG aims to help people to improve their knowledge, confidence and understanding, either through structured exercises which they can work through at their own pace or by answering specific questions which are raised. Because of the informal nature of the group people can also learn from each other as they try different things.

The group would also welcome new volunteers who have some experience of using computers or tablets. You don't need to be an IT expert, as a basic knowledge, an enquiring mind, and a willingness to share, are sufficient to deal with most issues. For more complex questions, experienced people are at hand to offer support to other volunteers.

## Frampton Cotterell Rugby vets biennial trip to Paris

November 2025 saw Frampton Cotterell RFC T.O.A.D.S embark across the channel for their biennial visit to their very good friends from Parisis RC, and the 2025 Le Crunch!

Initial housekeeping suggestions were announced on departure and suitably ignored as the sound of the first can opening was heard before the birds first song. Newcomers collected their tasks and outfits, and the tour was in full swing. A swift call from Eurostar to announce we may be pushing gate closure timings ensured we received a police escort through into the queue!

A very wise booking operator saw forethought and arranged for all of our tickets to literally take over a whole carriage, proving sensible considering the beers and buffet would be in full flow, as was the isle crowd surfing, in particular, a certain Tellytubby loving life! None the less, the T.O.A.D.S arrived at Gare du Nord and swiftly made their way to Belushi's in a last-minute change to the agenda. This was the perfect time to ensure our newcomers started to pay their way, and so the 11 'Where's Wallys' swiftly went hiding around Paris, to be hunted down by 'Waldo'.

Then onto the Metro to Franconville to meet our fellow Vets from Parisis RC. At Franconville, we met our hosts with standard French welcome of two cheek kisses and a shot of pastis.

Friday evening antics and their stories will remain on tour as per protocol, just suffice to say a Sunshine Mountain: Part deux incident took place!

Saturday and game day – Le Crunch. As always, this sees a fired-up consignment of French team togetherness warm up and fierce anthems sung, whilst our boys rock up, stagger out to the pitch,

and hope those low waist height tackles don't cause a consequence! However, in a beautifully crafted bluff, the mighty T.O.A.D.S played some outstanding rugby, towered in the lineout thanks to a Martin Johnson like performance from Adam Foord, delightful arching runs by newbie Cole Chaplin, power drives from Ade Obileye and Captain Keir, pace from Aaron Plant, and the physicality from Lee Poulton and Rich Mortimer. And most incredibly, the dancing feet and game management from eventual Man of the Match, Giles Fletcher.

Unfortunately, despite being the better team, \*we let it slip in the dying minute when Les Vieux Loups scored to make the final score 22–21 and so re-claiming the Victory trophy. (\* may or may not be the genius French officiating laws and may have been the 98th minute!).

Result aside, the game and the tour as a whole provided yet another example of friendship and comradeship that both clubs have excelled at for over 40 years. A beautiful and unique connection that is the envy of many.

Saturday evening was spent celebrating our relationship, whilst we sang, danced, and drank the night away. We would like to congratulate our generous hosts as, for the first time in our long-standing history, they ordered enough beer for us!

Sunday had its usual banter and antics during the trip back to England, of which should also stay amongst those on tour – we believe the authorities have put a red alert out to find one last 'Where's Wally' hiding in one of the Eurostar toilets!

What a weekend. What a relationship. What great clubs we have.

## News from Frampton Cotterell Male Voice Choir

The Christmas season for the Frampton Cotterell Male Voice Choir kicked off with a set performed at the Big Christmas Sing. A wonderful evening of choral music from a variety of local choirs and ensembles hosted at the Zion United church. It was followed shortly after by a performance inside John Lewis store, Cribbs Causeway, as part of Southmead Hospital's charity buskathon weekend. A lunchtime soundscape was provided by members of the choir in the atrium of Nightingale house on Redland hill. Office workers there were treated to a carefully crafted programme of festive songs enhancing the seasonal mood and lifting spirits. An al fresco performance leading the locals in Christmas song around the tree outside the Ring O Bells in Coalpit Heath rounded off the season's recitals.

The choir's own annual Christmas concert was a very memorable and enjoyable evening attended by a venue filling crowd at the Zion United church. Tea, coffee and plentiful mince pies and biscuits were enjoyed by everybody at the interval and the choir sang with verve and emotion on either side of the break. Melodies ranged from a sacred choral Motet sung in Latin to an original carol, scored by the choir's music director Tim Warren, based on a John Masefield poem. There were also traditional carols and seasonal songs as well as individual performances from some courageous members of the choir; all of which added to a great evening's entertainment. As in previous years the variety of songs performed was quite extraordinary and the audience applauded each rendition enthusiastically.

### Regular Events at St Saviour's Church, Coalpit Heath, BS36 2RP

**Butterflies Baby & Toddler Group** – Monday morning, in the church hall, 10–11.30am, term time.

**Mothers' Union** – fourth Tuesday in the month, 7.30pm.

**Messy Church** – first Saturday in the month, 3.30pm, in the church hall.

**Coffee and a chat** – Wednesdays, 1–3.30pm. Church open for hot drinks and a chat or quiet time.

How many songs relating to forms of transport can you think of? The theme for the choir's 2026 annual concert, on April 25th, is transport and the choir is now turning its attention to learning an eclectic mix of tunes to perform. Everything from steam trains and ocean liners to buses and a big yellow taxi will be included in the programme so be sure to get your tickets to ride! Tickets will be available in the spring.

As always, **the choir is actively seeking new voices to join its ranks**. No auditions are required – just an enjoyment of singing and a willingness to be part of a welcoming, down to earth musical ensemble. Interested individuals can visit the website: [www.fcmmc.com](http://www.fcmmc.com) for more information.
